For submitting IJAMS

[IJMS@starfox.is.oit.ac.jp](mailto:IJMS@starfox.is.oit.ac.jp)

Japan Association for Management Systems published the first issue of International Journal of Japan Association for Management Systems (IJAMS) in 2009 as a result of the international conference (JAMS/JAIMS ICBI2008) which was held in 2008. There were a lot of papers submitted to this issue and we recognized the necessity of international publication of research papers; therefore, we approved the regular publication of IJAMS.

We aim to publish our annual research results about new techniques, theories and concepts in Management Systems internationally. Papers are reviewed by two or more referees. Guidelines are posted on JAMS website.

- IJAMS (from Vol.5) are available at J-STAGE web site.  
<http://www.jstage.jst.go.jp/browse/ijams/>
- The deadline of Vol.10 is January 31st, 2018, as to be published in the fall of 2018.
- Microsoft Word or LaTeX2e is acceptable.
- For more details, please visit our website.
