

International Conference on Business & Information (ICBI2008)

September 2-3 2008, JAAMS, Hawaii, USA

The JAMS (Japan Association for Management Systems), in cooperation with JAAMS (Japan-America Institute of Management Science), is sponsoring the International Conference on Business & Information 2008 in Honolulu, Hawaii. Expansion of international business and information exchange requires us to expand our scope, encourage academic knowledge exchange, and increase our relationships among academic societies and organizations. This Conference provides this opportunity, and encourages the exchange of knowledge, information and perspectives through presentations and discussions. We invite colleagues throughout the world to present new findings and insights, discuss current issues, and strengthen personal networks.

Venue of the conference is JAAMS

[6660 Hawaii Kai Drive, Honolulu, Hawaii 96825-1192 USA.](#)
