International Journal of Japan Association for Management Systems (IJAMS)

Paper is refereed under the same criterion by the editorial committee of IJAMS.

Instructions for Contributors

Submission of a manuscript is considered on the understanding that it contains original unpublished work and has not been submitted for publication elsewhere. Only electric submission is available. (Electric submission) Send a MS-Word or PDF file by email to IJMS@starfox.is.oit.ac.jp.

Manuscript must be in English and should generally not exceed 10 pages typed on one side of A4 or $8\frac{1}{2}"\times11"$ size paper. All pages should be numbered consecutively.

Title page should have the following information: (i) the title; (ii) the name(s) and institutional affiliation(s) of the author(s); (iii) an abstract of less than 300 words; (iv) keywords. The corresponding author should be shown. The complete mailing address (including e-mail address if any) of the corresponding author should be given on the same sheet.

Formulae referred to in the paper should be displayed on a separate line and numbered consecutively throughout such as (1) or (1.1) on the right.

Figures (**Tables**) should be numbered consecutively, have self-explanatory captions (titles), and be inserted in the text. Tables do not need vertical lines.

References must be listed alphabetically, and numbered numerically. In the text they should be referred to by bracketed numbers. Journal names should be written in full. For a paper in a contributed volume see [1]; a journal paper [2]; and a book [3]:

[1] S. Fujishige: Linear and nonlinear optimization problems with sub modular constraints. In M. Iri and K. Tanabe (eds.): *Mathematical Programming – Recent Development and Applications* (KTK Scientific Publishers, Tokyo, 1989), 203-225.

[2] H. Konno: Piecewise linear risk functions and portfolio optimization. Journal of the *Operations Research Society of Japan*, 33 (1990), 139-156.

[3] H. Takagi: Queuing Analysis: A Foundation of Performance Evaluation, Vol. 1: *Vacation and Priority Systems, Part 1* (North-Holland, Amsterdam, 1991).

Final manuscript should be prepared using MS-Word with IJAMS style by the authors after receiving the notice of acceptance from the Editor.

Page charge must be paid by authors for the publication of their papers. For members of JAMS, the page charges depend on the page length of the published paper (25,000 yen within 6 pages; 15,000 yen per page for ecess pages). If the corresponding author is not an JAMS member, the page charges call for the fixed amount of 10,000 yen in addition to the standard length-dependent page charges applicable to JAMS members. The page charges include 100 free reprints for each paper. Detailed instructions will accompany the proofs.
